

# RISPIN COUTURE

## FORMAL WEAR HIRE - PRICE LIST 2018

- When ordering for a party of 5 or more..... the Groom Goes Free!
- When ordering an "outfit package" which comprises of jacket, trousers, waistcoat, shirt, cufflinks and neckwear, the package prices include A.D.W&C (Accidental Damage Waiver insurance & Carriage). If ordering items separately, the A.D.W&C is £9.50 per wearer
- The Rispin Couture price is for orders made two months or more in advance of the wedding/function date and require a 25% deposit on ordering, with the remaining 75% balance to be paid prior to collection. For orders made closer to the time then the RRP will be the price quoted.
- The "Groom Goes Free" discount, if applicable, is offered regardless of when the suit is ordered. If the time between ordering and the wedding/function date are so short that to obtain the items in time they need to be sent on a faster service, an extra courier charge may be levied. Hire suits generally come in around 8-10 days prior to the wedding/function so that they can be tried to check that the suits fit perfectly. Any standard corrections or changes are free of charge and couriered direct to the showroom in time for the wedding/function. If you have a wearer who lives too far away to come and collect their suit and try on before the wedding/function, we can arrange for their suit to be couriered directly to their home address.
